DESCRIPTION

This Clear Bonding Primer is an environmentally-friendly preparation product designed to be used when painting non-porous surfaces like glass, metal, and faux-wood. The product is clear, allowing you to distress your piece and still see the original wood tones underneath.

PRODUCT SPECIFICATIONS

Coverage: 120+ sq. ft/quart

VOCs: < 1 grams/liter

PH: 8.5 - 9.5

Clean Up: Clean rim of container after each use. Brushes can be cleaned with warm, soapy water.

Storage: Store in a cool, dry area. Keep from freezing. Keep away from heat sources. Keep containers closed when not in use. Store in a well ventilated area out of direct sunlight. Keep out of reach of children. Do not take internally.

Shelf Life: At least one year after opening in a well sealed container.

Disposal: Dispose of contents/container in accordance with paint collection facility's instructions.

First Aid: In case of eye contact, flush with plenty of water as a precaution. Wash skin with soap and water. If ingested, call physician or the Poison Control Centre.

APPLICATION

Before you start, make sure your project is clean, dust-free, and dry. Shake and stir the Clear Bonding Primer well, then apply it to your project with a synthetic-bristle paint brush or a painting sponge. Apply paint after allowing your coat of Primer to dry for at least 12 hours.

For detailed instructions and tutorials, please visit www.countrychicpaint.com/when-and-how-to-use-primer

Please note: this product does not block tannin or nicotine bleed through. A Shellac-based product is recommended for this purpose.

WARNING! If you scrape, sand or remove old lead paint from any surface you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH approved respirator to control lead exposure. Carefully clean up with a wet mop and HEPA vacuum. For additional information, Canadian customers contact the Product Safety division of Health Canada at 1-800-0-CANADA. US customers contact the U.S. EPA/Lead Information Hot Line at 1-800-424-LEAD.

To the best of our knowledge, the technical data contained herein are true and accurate at the time of issuance but are subject to change without prior notice. Country Chic Paint assumes no responsibility for results obtained or damages incurred from this product use by Buyer whether as recommended herein or otherwise.
